How can Innovation Norway help innovative start-ups?

We are sparring
partners who offer

Expertise

Networks

Capital

Our sub-goals

More good
entrepreneurs

More companies with
growth potential

More innovative
business clusters

We facilitate projects in the areas of

Enterprise
start-up

Innovation and
development

International
expansion

22 00 25 00

A diagram illustrating the stages of an enterprise start-up. It features a central white box on the left labeled 'Enterprise start-up'. To its right, a vertical stack of five colored boxes (teal, white, teal, white, white) lists the stages: 'From idea to market', 'Start-up grant for premarket evaluation', 'Pitch Friday', 'Start-up grant for commercialization', and 'Start-up loan'. The background is a photograph of a large, dark, cylindrical object, possibly a telescope or a large pipe, set against a dramatic sky with clouds and a sunset or sunrise glow.

Start-up grant for
premarket evaluation

Pitch Friday

Start-up grant for
commercialization

Start-up loan

A large, dark, abstract sculpture made of heavy, rounded metal pieces, possibly bronze or steel, stands in a field. The sculpture consists of several interconnected, rounded forms, some of which are supported by thick, cylindrical pillars. The background is a dramatic sky with scattered clouds, transitioning from a deep blue at the top to a lighter, hazy blue near the horizon. The foreground shows some dry grass and a dark, textured ground surface.
