

Stavanger Active People Society SAPS

New in town:
How to meet new friends in Stavanger

INTEGRATION

- At SAPS our definition of integration is very simple:
 - Have fun and learn something while making friends wherever they are from, learn Norwegian if you are curious or need a job, find your place in the city of Stavanger and be happy.
-

And SAPS will help you do just that.

How can SAPS help?

- We run 25 hours of activities every week for you to join and meet new people
- You have fun, learn something and make new friends alongside then
 - go your own way with your new friends
 - continue attending events as a SAPS member
 - become a volunteer,
 - create a new SAPS activity
